"Not because we will never again know defeat, but because we will never again sow division."
ecoearth_2021 Los problemas actuales del mundo son percibidos como la norma y no como una enfermedad que deberíamos querer curar. Como estudiantes de ingeniería ambiental, tomamos este poema como inspiración para formar parte del cambio que nuestro mundo necesita. Nosotros creemos que nuestras acciones cotidianas son importantes para alcanzar la sostenibilidad.// Today´s world problems are perceived as the norm, rather than the illness we should aim to heal. As environmental engineering students, we take this poem as fuel to become part of the change our world needs. We believe our everyday actions are significant to the achievement of sustainability. #PGC2021 @turninggreenorg @amandascgorman
