Here is a video I made and posted on FB. Photos and the video from the fastfood are mine but the rest of the infographics are not.

Here are the people I am hoping to go #stopsucking with me.

I tried to follow the link to make the url but "the site couldn't be reached".

I also sent messages to local establishments. Three responded so far:
Café Diem and Old Hat (in Iloilo City, Philippines) and Sandok (in Bacolod City, Philippines)

Good day! I am a Philippine Science High School student. Right now I am joining an international challenge with environmentally-themed activities. Recently we have been made aware of the possible negative effects of plastic straws to the environment. Please watch this video:

A man with dark hair, wearing a dark blue polo shirt, is speaking into a microphone. He is gesturing with his right hand. The background is a blurred indoor setting with large windows. A small logo is visible in the bottom right corner of the image.

I am hoping that when I visit these places again, I do see the commitment to #stopsucking .
