School: TC Williams High School

WHAT USES OF HEMP SURPRISED ME?

- *Paper*
- *Food*
- *Biofuels*

Before doing this challenge, I was in a huge misconception that hemp is connected with marijuana. But after doing this research, I realized what tremendous potential hemp has on protecting our economy, environment and people.

ARTISTIC CREATION ON WHY HEMP IS A BIG ASSET

SHARING ON SOCIAL MEDIA

Hemp has the tremendous potential to solve biggest global issues by reducing carbon emissions four times greater than other plants. Dispel the rumor that hemp is connected to marijuana and drugs. Hemp and marijuana are the same species(cannabis) but different breeds. Hemp → non-psychoactive relative of marijuana. Take a glance on the picture for more interesting facts and uses of HEMP. 🌿
