Mix all ingredients together in West Bend WI for two years then Maiden Rock WI for another sixteen. Keep her with two amazing parents and give her two crazy, fantastic siblings. Give her a cooking temp of High school in Plum City WI. Decorate with lots of sports and extracurriculars especially music! Then add a loving boyfriend and then ship her off to the University of Central Missouri, Warrensburg. There add some more experience and education. Give her the want to change the world through creativity and music. Bringing a smile to one person's face can't change the whole world but it can change their world

Time will add more steps to this but for now this is Jasmine Bylander.
