## **WHAT ARE YOU SEEING?**

**AS WE VENTURE INTO THE JHALANA WILDLIFE SANCTUARY, RAJASTHAN, INDIA WE ARE GREETED BY A SURREAL TAPESTRY OF COLORS AND TEXTURES. TOWERING TREES FORM A NATURAL CANOPY ABOVE, DAPPLED SUNLIGHT FILTERING THROUGH. THE SANCTUARY IS ALIVE WITH VIBRANT FOLIAGE, FROM THE EMERALD LEAVES OF THE SAL TREES TO THE FLAMBOYANT BLOSSOMS OF THE FLAME OF THE FOREST.**

A photograph of a rugged, rocky mountain peak. The mountain is covered in sparse, dry-looking vegetation, including small trees and shrubs. The sky is blue with scattered white clouds. The foreground shows large, reddish-brown rocks.

**WHAT ANIMALS, PLANTS, AND OTHER SPECIES DO YOU NOTICE?**

**AMIDST THE RUSTLING LEAVES, WE CATCH GLIMPSES OF ELUSIVE LEOPARDS, THEIR SPOTTED COATS BLENDING SEAMLESSLY WITH THE DAPPLED SHADOWS. BIRDS OF ALL KINDS FLIT OVERHEAD, THEIR CALLS CREATING A SYMPHONY OF NATURE'S MELODIES. BUTTERFLIES, WITH THEIR INTRICATE PATTERNS, DANCE THROUGH THE AIR. UNIQUE PLANT SPECIES, LIKE THE DHOK AND KHAIR TREES, PUNCTUATE THE LANDSCAPE.**

## **HOW WOULD YOU DESCRIBE THE ENVIRONMENT?**

**JHALANA EXUDES A SENSE OF UNTOUCHED WILDERNESS, A SANCTUARY WHERE NATURE REIGNS SUPREME. THE ENVIRONMENT IS BOTH SERENE AND UNTAMED, AN INTRICATE WEB OF LIFE, WHERE EVERY SPECIES PLAYS A VITAL ROLE. IT'S A PLACE WHERE ONE CAN WITNESS THE DELICATE BALANCE OF ECOSYSTEMS, WHERE THE INTERDEPENDENCE OF SPECIES IS PALPABLE.**

**SHARE THE INTENTION YOU EXPRESSED  
PRE-ADVENTURE. HOW DID IT INFORM  
YOUR JOURNEY?**

**BEFORE EMBARKING ON THIS ADVENTURE,  
OUR INTENTION WAS TO IMMERSE  
OURSELVES IN NATURE, TO OBSERVE AND  
APPRECIATE THE SANCTUARY'S  
BIODIVERSITY. THIS INTENTION INFORMED  
OUR JOURNEY BY MOTIVATING US TO BE A  
CONSCIENTIOUS OBSERVER AND TO  
RESPECT THE WILDLIFE'S SPACE. WE  
CAME WITH THE DESIRE TO LEARN AND  
CONNECT WITH THE NATURAL WORLD.**

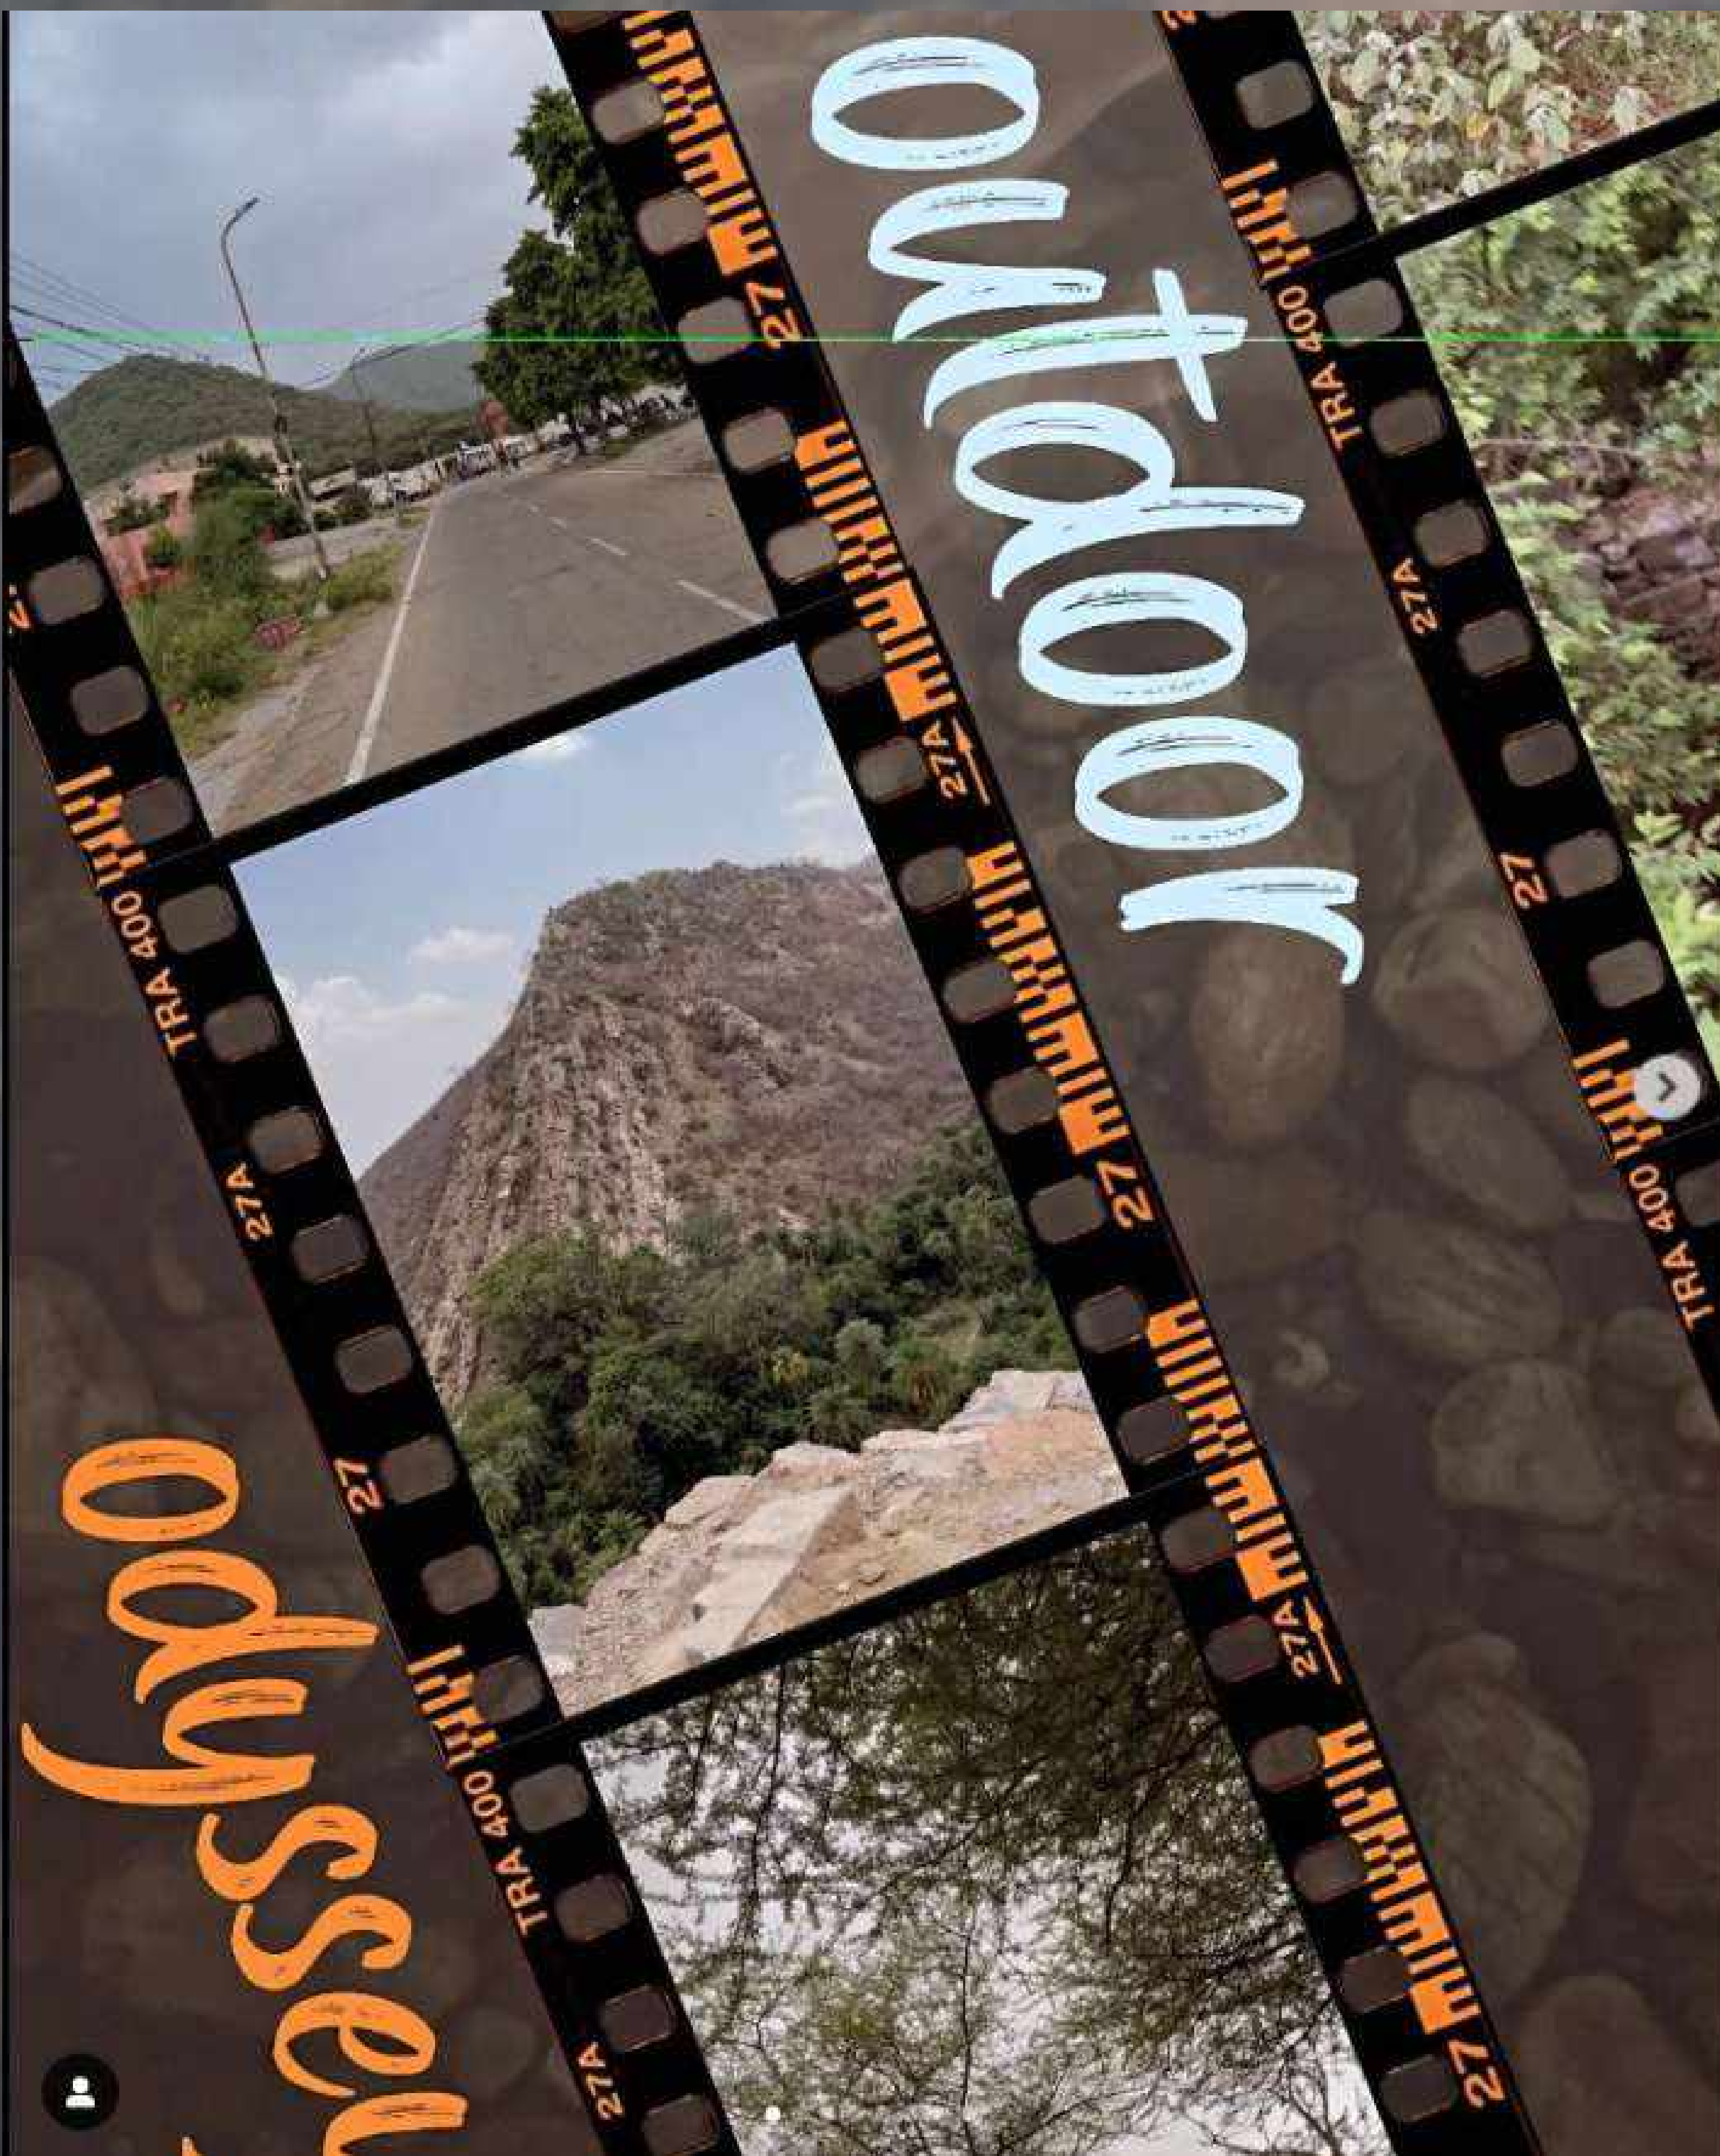

**WERE YOU ABLE TO STICK TO THE LEAVE NO TRACE PLAN? IF NOT, HOW DID YOU ADAPT?**

**WE STRIVED TO FOLLOW THE LEAVE NO TRACE PLAN DILIGENTLY. WE MADE SURE TO LEAVE BEHIND NO PHYSICAL MARK OF MY PRESENCE, REFRAINING FROM DISTURBING THE WILDLIFE OR PICKING PLANTS. HOWEVER, IN A COUPLE OF INSTANCES, WE INADVERTENTLY MADE NOISE THAT DISTURBED A RESTING LEOPARD. WE ADAPTED BY IMMEDIATELY RETREATING AND GIVING THE MAJESTIC CAT THE SPACE IT NEEDED.**

**HOW DID THE EXPERIENCE MAKE YOU FEEL?  
HAS IT STRENGTHENED YOUR RELATIONSHIP  
TO THE EARTH AND OUR INDIVIDUAL AND  
COLLECTIVE RESPONSIBILITY TOWARDS THE  
ENVIRONMENT?**

**THE EXPERIENCE WAS AWE-INSPIRING. IT  
MADE US FEEL HUMBLLED BY THE BEAUTY AND  
COMPLEXITY OF NATURE. IT REINFORCED OUR  
DEEP CONNECTION WITH THE EARTH AND  
HEIGHTENED OUR SENSE OF RESPONSIBILITY  
TOWARDS PROTECTING IT. WITNESSING THE  
WILD INHABITANTS OF JHALANA REMINDED  
ME OF OUR COLLECTIVE DUTY TO PRESERVE  
AND CHERISH OUR PLANET, AS IT'S NOT JUST  
THEIR HOME BUT OURS TOO. IT'S A PLACE  
WHERE WE FIND BOTH SOLACE AND  
INSPIRATION, AND IT'S OUR DUTY TO  
PRESERVE IT FOR FUTURE GENERATIONS.**
