DAY 17

Challenge level: GREENER

FAIR TRADE

2 things about Fair Trade practices that left an impression on me:

- We can support communities in developing countries simply by the act of buying a Fair Trade certified product.
- The producers are paid fairly for the specific location they live in. Fair Trade practices do not disrupt developing economies with foreign interference; on the contrary they uplift them.

3 things I use every day:

1. Coffee
 - Starbuck 10 oz house blend \$8.09
 - Natural Grocers Brand **Organic Fair Trade** \$8.79 – currently on sale for **\$4.99**
2. Chocolate
 - Chocolove dark chocolate (not Fair Trade) \$3.29
 - Alter Eco dark chocolate **Organic Fair Trade** \$4.09 but right now on sale at Natural Grocers for **\$2.89**
3. Coconut Oil
 - Spectrum Organic \$9.49
 - Dr. Bronner **Organic Fair Trade** \$11.79 but currently on sale for **\$7.79**

Fair Trade doesn't have to be expensive

- Spectrum organic coconut oil \$9.49
- Dr. Bronner Organic Fair Trade \$11.79 currently on sale for \$7.79

fort_flourish Natural Grocers

fort_flourish Buying Fair Trade certified products can be affordable. I love shopping at Natural grocers for that reason! Support communities of farmers and producers by choosing Fair Trade. #fairtrade #buyfairtrade #projectgreenchallenge #pgc2023 @turninggreenorg @ftcampaigns
