About Clean Air Iran

Clean Air Iran is a grassroots organization dedicated to combating air pollution and improving air quality in our beloved country. We believe that everyone deserves to breathe clean, fresh air and live in a healthy environment. Join us in our mission to create a cleaner, greener Iran!

Our Current Initiatives

1. Awareness Campaigns: We organize engaging campaigns to raise awareness about the causes and consequences of air pollution. Through workshops, seminars, and public events, we educate the community on sustainable practices and the importance of clean air.
2. Advocacy for Policy Changes: We actively advocate for policy changes that prioritize clean air and sustainable development. By collaborating with policymakers and government officials, we aim to bring about impactful changes that benefit our environment and public health.
3. Community Projects: We work closely with local communities to implement projects that reduce air pollution. From tree planting initiatives to promoting eco-friendly transportation options, we empower individuals to take action and make a positive difference.
