MY LETTER

My Dearest Salina,

I want to express my deepest gratitude to you for being my unwavering support during my educational journey abroad. Your belief in my abilities and willingness to be my companion in international competitions have meant the world to me. Your emotional support has been my sanctuary, reminding me of my capabilities and fueling my determination.

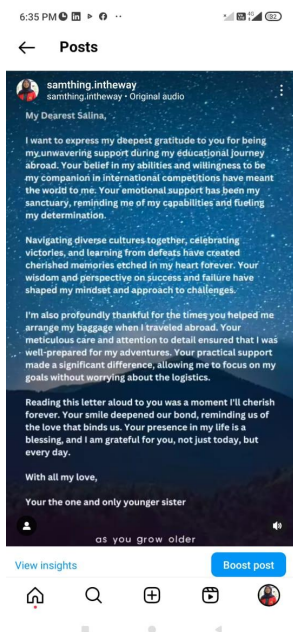

Navigating diverse cultures together, celebrating victories, and learning from defeats have created cherished memories etched in my heart forever. Your wisdom and perspective on success and failure have shaped my mindset and approach to challenges.

I'm also profoundly thankful for the times you helped me arrange my baggage when I traveled abroad. Your meticulous care and attention to detail ensured that I was well-prepared for my adventures. Your practical support made a significant difference, allowing me to focus on my goals without worrying about the logistics.

Reading this letter aloud to you was a moment I'll cherish forever. Your smile and the tears in your eyes deepened our bond, reminding us of the love that binds us. Your presence in my life is a blessing, and I am grateful for you, not just today, but every day.

With all my love,

Your the one and only younger sister
