

Name: WaterBuffalos
Username: Waterbuffaloes23
School: Poolesville Highschool

For the grassroots organization you found in the Green challenge (or any org you are drawn to), create a flier promoting their work. Be creative, and include details about current initiatives, contact information/ social media, and powerful visuals to attract an audience.

Post a copy of your flier on social media, tagging @TurningGreenOrg with #PGC2023, and the social media account of the organization you highlight (where applicable).
