

Challenge Day, Greenest

Activity→

Poem

Let your voice be heard, don't refrain

In the ballot box, we can break the chain

For in unity, we hold the key

To shape a future that's clean and free.

The Earth, our home, in a fragile state

It's not too late, don't be hesitate

The storms are stronger, the fires burn high

It's time to reach for the open sky.
