DAY 2 GREENEST

Let's Stop climate change

Climate Justice in Savar Region

The climate crisis is also a justice crisis.

At Jahangirnagar, teachers, students, waste pickers, activists, and local leaders are already feeling its impacts. Here are their voices.

"Heatwaves disrupt classes
— we need greener energy
on campus."

Abdul Kadir Ibne Kamal,
Ph.D Professor at
Jahangirnagar University

"Plastic piles up around Saver area – without recycling, it chokes our lakes."

Selim Ali
LOcal Recyclers
Savar Dhaka

"Urban growth pressures
Savar — we need renewable
energy and waste solutions."

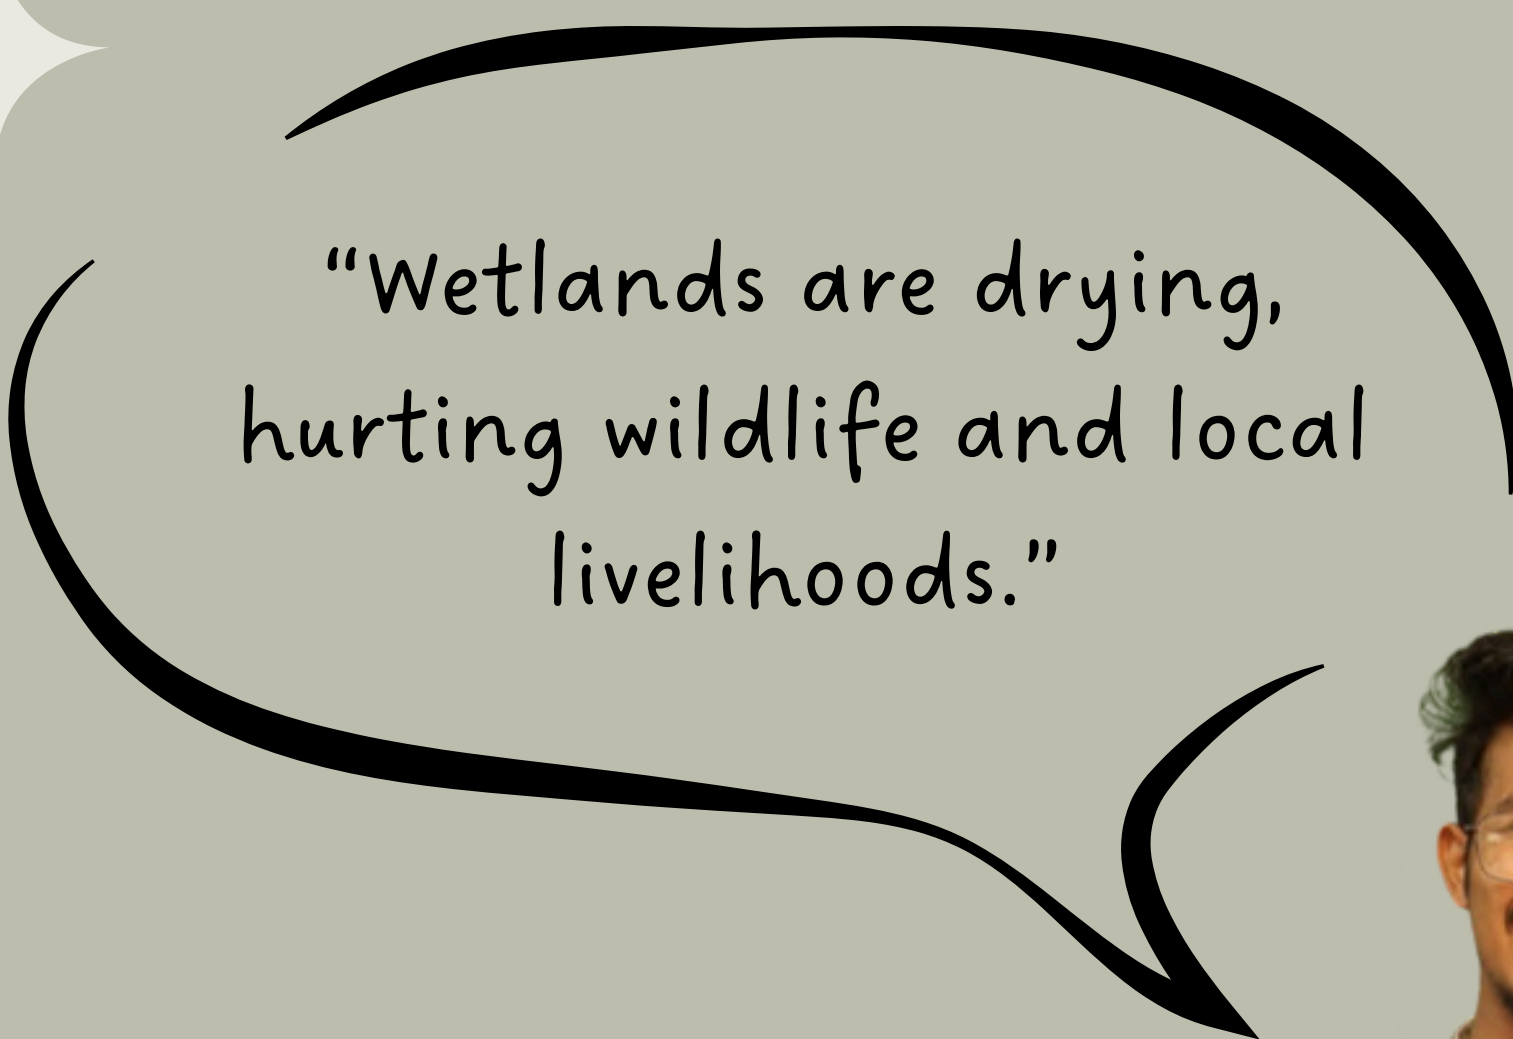

Adudr Rahaman
Local Leader
Savar Dhaka

"Flooded roads and heat waves disrupt our daily campus life"

Fahim Shahriar
Student at
Jahangirnagar University

“Wetlands are drying,
hurting wildlife and local
livelihoods.”

Shahed Anan
Climate Activist
Jahangirnagar University

Let's act now to #MoveTheDate
and create a just, sustainable
future
