SCHOOL: KWAME NKRUMAH UNIVERSITY OF SCIENCE AND TECHNOLOGY

GREENEST #PGC 2025 DAY 12(OUTDOOR)

Eco-Outdoor Adventure “The Forest Reborn Walk”

Location: Mount Krobo.

Intention: To reconnect with the land, reflect on its history, and envision its future as a shared green space.

Adventure Steps

1. The Walk

Begin at sunrise

Walk slowly across the land, noting:

- Soil texture and plant remnants
- Insect activity or bird calls
- Shade patterns and wind movement

2. Leave No Trace Principles

- Stay on durable paths
- Pack out any waste
- Respect wildlife and plants

4. Capture the Story

Take 3–5 photos of:

- The land’s current state
- A symbolic object (e.g., a fallen branch or sprouting plant)
- A group reflection moment
