MY ECO OUTDOOR

ADVENTURE

FT: INTI

NATIVE FOREST NEAR MY HOUSE AND WAS ACCOMPANIED BY MY BEST FRIEND INTI

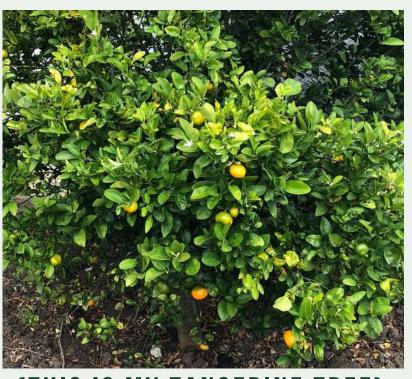

STEP ONE

FIRST, WE GATHERED
SOMESUPPLIES:
-SOME WATER
-A TREAT FOR INTI
-DELICIOUS TANGERINES FROM
MY OWN TANGERINE TREE

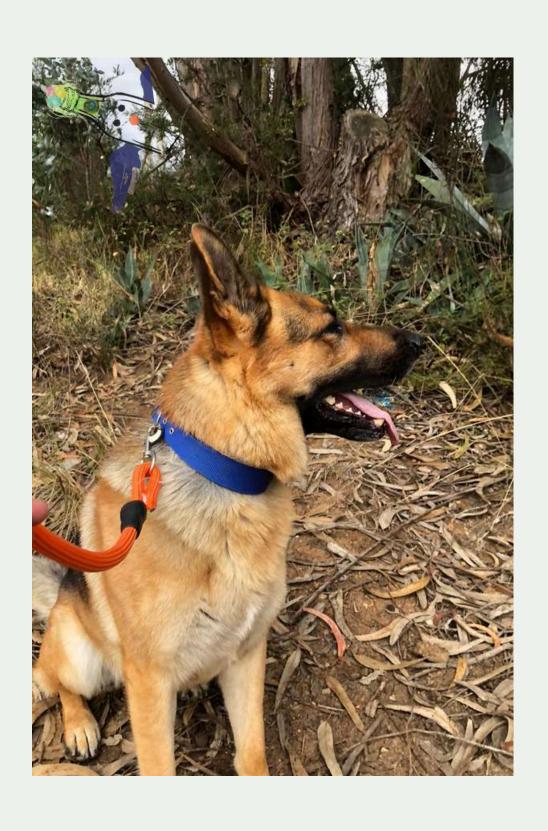

(THIS IS MY TANGERINE TREE)

STEP TWO

THEN, WE WALKED TO THE FOREST

WE EXPECTED TO HAVE A PEACEFUL MOMENT, CONNECT WITH NATURE AND HAVE A GOOD TIME.

WE ALSO WANTED TO EXERCISE A BIT AND BREATHE SOME FRESH AIR.

INTI LOVED IT, IT'S HIS FAVOURITE SECRET SPOT!

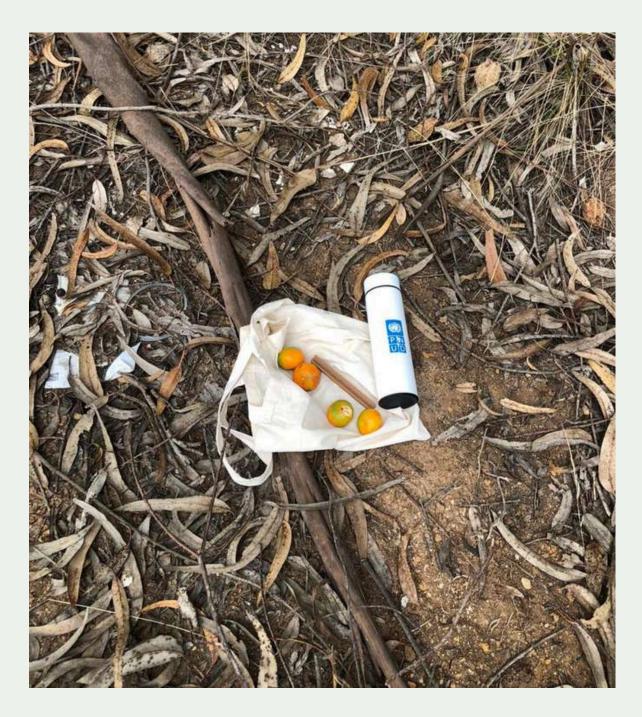

IT IS ALSO A SAFE PLACE FOR HIM TO GO AS THE ONLY WILDLIFE WE CAN FIND ARE BIRDS THAT AREN'T ON REACH.

STEP THREE

WHEN WE FOUND A
DURABLE SURFACE WE
DECIDED TO TAKE A LITTLE
BREAK.

WE UNPACKED OUR MEAL AND SHARED A MEAL.

INTI WAS VERY THIRSTY,
HE DRANK A LOT OF WATER

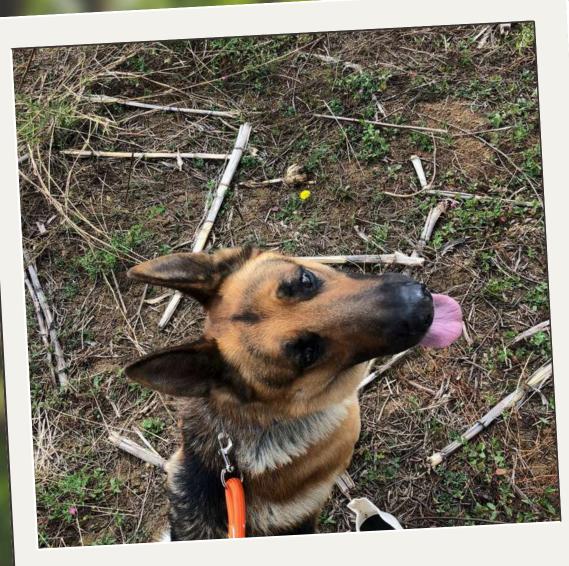

STEP FOUR

DISPOSE OF WASTE PROPERLY

AS WE WERE HAVING OUR MEAL, WE REALIZED THAT THERE WAS A LOT OF TRASH FROM PREVIOUS VISITORS SO WE GRABBED A BAG THAT WE FOUND AND COLLECTED WHAT WE COULD.

THANKS FOR JOINING US TODAY!
